Requests the return of the application made by him for the discharge of his brother-in-law.

Also of a letter written him by Capt. Bapista, and sent to the Dept. two weeks ago.

He submitted these papers verbally, because he could not spare the time to go through the circumlocution office, which he is advised requires much time, patience & perseverance, with great uncertainty of a satisfactory result! He is "not inclined to go into the merits of evidence that is determined, and that of the Capt. was true as to his brother's intentions"

Post Office Department,

Richmond, Dec. 9th 1862.

Hon James A Seddon,
Secretary of War;

I respectfully request the return of the application I made for the discharge of my son-in-law Wm E. P. Nelms of Leon's Co. 4th Texas regiment, and of the letter of Lieut Bassett, which I submitted near two weeks ago. I made the application directly to the Secretary of War because my brother was not physically able and I could ill spare the time to go through the "circumlocution office", which I am advised requires much time, patience and perseverance, with great

uncertainty as to any subsequent
result. [redacted]

I did not make the application
to deprive the service of a soldier
of whom that an only son, who had
served well and faithfully, might
have the care of his Father and
Mother, if he could reach them,
after having done all he could
for his country. The recovery of
his health is not probable if it
is possible. I beg to add that
I have never asked an appoint-
ment, nor until this any favour
of any kind from the Government
for any relative of mine, though
I have many of them, and
those very near & dear, in the
Military Service. And I am
disinclined to ground on the
bare fact of evidence that any
kind of his
statement, and that of his

complain, are true as to my
Brother's Condition.
I am respectfully

Hon James A. Seddon,
Secretary of War;

I enclose herewith the certificate of Capt R. H. Bassett of Comp. G. 4th Texas Regiment for the purpose of asking a special discharge for my Brother-in-law C. P. Mellers of that Company. He entered the service with his Regiment and came to this State in the Summer of 1861 and participated in the battles at Bethesda Landing, Seven Pines, and those around Richmond until he was Wounded at Gaines' Farm, and after his recovery he participated

in the battles at Manassas on the 29th and 30th of August, and went with his [redacted] to Frederick Maryland, from which place he was sent back by his officers on account of his ill health.

He was attacked with severe diarrhea in April last, which has continued to the present, having now become chronic. He has, at intervals, been very feeble, and even while he was in the field during the hard and severe campaigns past this disease continued. For sometime past he has been near dying. He is now slightly improved, and is under care of Dr Bennett and Hazard at my residence. His only two Brothers have

ed of Consumption. And
I believe if he remains
here he will die before
Spring. I do not think it
probable he will be able
for Military Service again,
and certainly not before
Spring.

If he can be discharged
authorized to go home it may
save his life. If the facts pre-
sented are not sufficient
to authorize his discharge I
will endeavour to get them
in any other form which
may be required.

Very respectfully

I concur in the Report
of the 2d auditor

Louis Bruyere
Comptroller

S. 38.

Report of the Second Auditor on the claim of E. S. Pennant Private "Co. H." 4 Texas Regt for Commutation of Rations, while on furlough in 1864.

The claimant forwards an account for $85, being for Commutation of rations. He applies to obtained a furlough from the 9th of March to the 18th of April 1864, during which time, he charges $1.00 per day making $40. That while on furlough or before his return to his command, he was detained by the Commissioned Officer in charge from the 18th of April to the 3rd of August 1864, he charges for 45 days at $1.00 making $45. The account is certified to be correct by Eli Peck 2nd Lieut Com'd Co H. and that it was impracticable for him to carry rations, and the claimant certifies to that the original furlough

The charge of $40. should be allowed, as to the other charges of $45. while detained by the Commissioned Officer, it should be disallowed for by his own negligence and carelessness in having his furlough, his detention by the Commissioned officer, and the necessary consequence, in addition that while there detained he could not have been supplied by the Government as those receive rations. Therefore I recommend the payment of the sum of $40. while on furlough, and the rejection of the account of $45. should be withdrawn suspended for additional testimony

All of which with the papers filed in support, are herewith respectfully submitted to the decision of the Comptroller of the Treasury

General Hospital No 2

This is to certify that A. L. Pangle has been fulfilling the duties of clerk in the first division of this general hospital and that he has always discharged those duties in a faithful and trustworthy manner. His conduct has been that of a gentleman in every respect; and he is well suited for the position for which he is an applicant

F. W. Glocker
Asst. Surg. P.H.C.S.

General Hospital c[t] No 2
Danville July. 16. 1863.

I fully endorse the above as guaranteed by my official relations with Mr Pangle. And would furthermore add that although he is perfectly qualified & competent to discharge the duties of a Clerk, he is kept from the loss of the right index finger as well as in consequence of a troublesome Varicocele is unfit in my opinion for service in the field, and therefore his claim for a detail in one of the departments should I think peculiarly deserving attention.

Respectfully

John. R. Hinton
Asst. Surgeon in charge of
General Hospital c[t] No 2
Division c[t] No 1

I fully endorse the above recommendation
